Board Bulletin

Did you know we had an eclipse this week? What an event! I hope you were able to experience it safely.

Our city has been going through a lot of changes. Sidewalks and curbs are being installed, new apartments and businesses are opening. If you haven't had a chance to check out our new Town Green in the city center, the Hanger building and Diva Espresso have opened. It has been fun watching families play in the new spray park. Or maybe you've watched a movie at the outdoor movie night.

Traffic through Uplake continues to be a challenge. Our neighborhood association will continue our efforts to have this issue addressed. The more we complain, the more seriously the city will take our complaints.

Though this summer has been warm and dry, it is nice to have cooler nights. Thank you to those neighbors who have bonfires on their patios and put it out by bedtime. Many neighbors open windows at night to cool their homes down and breathing smoky air can be annoying.

In Memoriam

Priscilla Droge, a longtime resident of Uplake, passed away July 14th. She and her husband, Leonard, and daughters, Ellen and Marilyn, moved into their home on NE 182nd in 1956 as one of the first residents of Uplake. They had spotted the new development while boating on Lake Washington and came to see the lots for sale. After building their home, Priscilla became very active in the Uplake Neighborhood Association, Kenmore Elementary PTA, the Uplake Garden Club, and was one of the founding members of Aqua Club. She did research on the history of Kenmore and wrote the book, Kenmore, By the Lake. Priscilla was 94 years old and swam daily at Aqua Club until about 3 years ago.

Former resident, Pat Williams, passed away on July 16th after suffering a fall. Pat and her late husband Don were longtime residents. Pat left Uplake this past year when she sold her home. She had been active in the Uplake Women's Club. Services are planned for the fall.

New Neighbors

Andre and Janie Giffard have purchased a home in Uplake on NE 182nd. They moved here from Redmond and have a 17 year old son, Hunter, and a dog, Soffie.

Welcome to Jeanine Viscount who has purchased a home in Uplake. She and her daughter, Jordon moved here from elsewhere in Kenmore. Jordon will be a freshman at Inglemoor.

Also new to Uplake are Amin Roudaki and Atefeh Bordbar, who purchased a home on NE 180th. They are busy remodeling and are excited to be living in the neighborhood.

Rita and Carl Cressman have bought a home on 60th Ave. NE. They are busy remodeling and cutting down the overgrown shrubs.

Swim Team is Over

Congratulations to this summer's swim team. The excitement is audible throughout the neighborhood! There were six dual meets and six wins. Great job!

UNA Activity

Summer is a slow time for the Uplake Neighborhood Association but we will be restarting our monthly meetings in September. Please join us, Wednesday 9/27 at 7pm at the Aqua Club. We value our community's involvement!

Uplake Email List

We have about 160 of the area's 220 homes on our email list. We use it to inform residents about activity in our neighborhood such as lost cats, stolen bikes, and invites to community events. We never let others see your email address. So, if you aren't on our email list and would like to be, send you email address to Linda Ottmar at nealandlinda.ottmar@frontier.com

Earthquake Preparedness

Are you ready? There are a lot of resources out there to help your family prepare for an emergency. The Northshore Fire Department puts on workshops and seminars providing guidance on kit preparation, water, food/cooking, radio communications, fire extinguisher use, shutting off utilities, and safe generator operation. There is a one day training course coming up in October. For more information, please check out northshorefire.com/education/emergency-preparedness.
